2. Project Relevance and Context

2.1 What is the main issue that your project would like to focus on? What is the current situation that you wish to change?

1600/1600

Please explain the context of your project proposal (the problem you wish to solve, the issue you would like to address). Base your description on available statistics and facts and describe the current state of art.

2.2 What should be done to address this issue/problem? How does your project contribute to the solution?

1600/1600

Describe what you believe should be done to bring a positive change in the local community or society in general. How do you and your partners plan to contribute to the change?

2.3. What added value does your project bring to the already existing practices? What is the innovative element in your proposal?

1600/1600

What makes this proposal stand out from similar initiatives? What do you offer that has not been done before?

2.4 What is the regional relevance of your proposal?

1600/1600

How will the V4 region and its citizens benefit from the project? Why is it necessary to address the issue on a regional (Central European) level?

2.5. How would you describe your organization's experience in dealing with the proposed topic? Have you previously implemented similar projects?

1600/1600

Describe your organization's past experience, achievements and track record in the given area to justify your involvement. Please include non-IVF supported projects as well.

DELIVERABLES (OUTPUTS): PRODUCTS OR EVENTS

List all deliverables—events (workshops, presentations, opening events...) or products (exhibitions, publications...)—planned within the project to contribute to the project objectives and add details and associate costs (requested by this grant) with each deliverable. Project overhead costs (running costs) should be summed for the entire project below and are limited by 15% of the requested budget. Other incomes can be listed in the bottom table titled OTHER INCOMES.

Inspirational Projects

Broumov–Sokolowsko: Crossborder Cooperation for Cultural Development

Education and cultural center of Broumov

- The project was about organizing art and literary events in Broumov and Sokolowsko for the participants from the cross-border area between the Czech Republic and Poland.
- It helped them to promote their cultural heritage among the public.

Inspirational Projects

With dogs for better life

Triventum SGT s.r.o.

- This project connected people and forces on Czech-Slovak borders to promote local nature, healthy lifestyle and non-traditional sports with dogs. Through their activity, they also raised interest and knowledge about the sport among the public, and brought new visitors to the region.

Inspirational Projects

Field of Sparks Artweek

Hundred Sparks Association

- The project took place in a small HU village Ipolytarnoc with a big Roma minority. Bringing together SK and HU students they built structures in the village and in the field behind the village. Structures are permanent and have become a tourist place. It was followed by several events in the village such as movie screenings, concerts, building paintings etc.

V4 Gen Mini-Grants

V4 Gen Mini-Grant supports short-term cross-border youth mobility in the V4 region and its immediate neighborhood in the age group 12–30. Proposals for the mini-grants must document that the projects will involve physical cross-border mobility.

Any legal entity registered in V4 countries can apply for support.

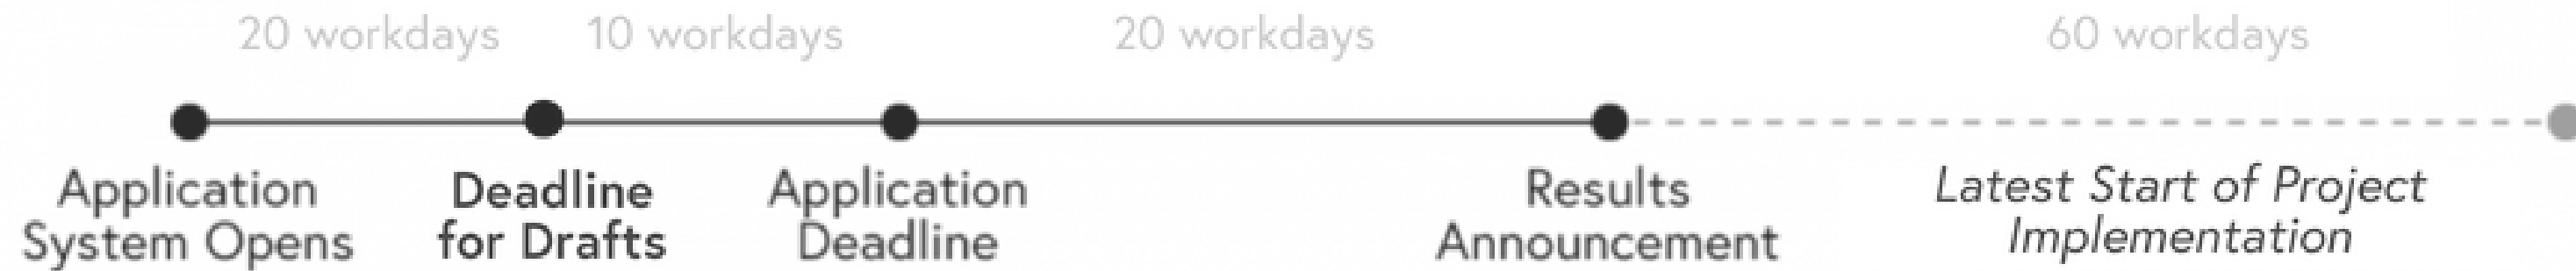

Each project must involve at least two V4 countries (Czechia, Hungary, Poland, Slovakia) but can also include entities from direct neighbors of two V4 countries (i.e., Austria, Germany, and Ukraine).
